

LUNCH & LEARN

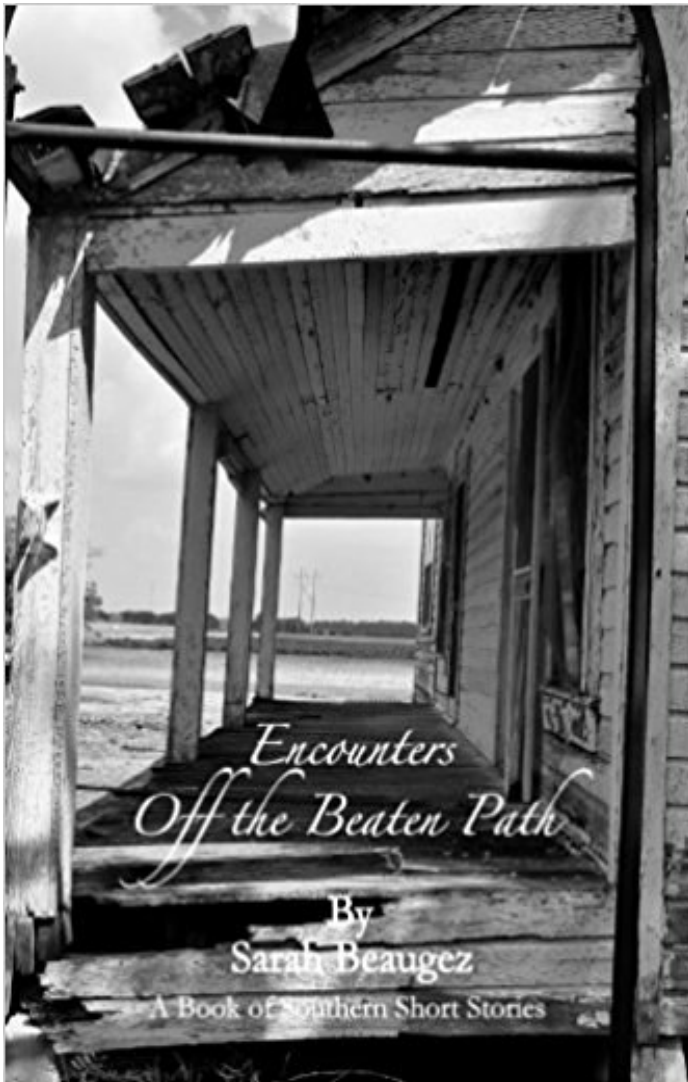

meet. eat. discover.

with Sarah Beaugez

Everyone has a story. This book is a compilation of stories I've written after encounters with good Southern folk; people I've met along the path of my life's journey. These are but a few of those stories I heard and took the time to document in word and with a photo.

Sarah is a native of the Mississippi Gulf Coast from the once-sleepy town of Ocean Springs. *Outer Edge of Grace*, her first book, is a memoir of having been a caregiver for her son. Her short stories have been published in several newspapers in Mississippi and her photography has won awards and been exhibited in Mississippi public buildings. She was nominated as one of the 50 Outstanding Business Women in Mississippi in 2013.
